

Summer 2021 Bumble Bee's Newsletter

Dear Parents,

Summer is here! Nice weather will allow for more time outside. Each child will need a swimsuit and towel with their name marked on both of them. A couple days a week we will be playing in the sprinklers so please have extra clothes that the children can change into for water play. We will continue to do projects on days we don't swim, just not as often. This class thrives more on outside play & outside activities.

Have a great summer,

Sincerely,
Mrs. Liliana
Ms. Karen
