

LADYBUGS CLASS

JANUARY 2021

Happy New Year! We hope everybody had a wonderful Christmas celebration. Christmas was good for our families, as was the much needed break. It was a good time to focus on spending time together. We hope that your family also enjoyed some special time together.

Can you believe that it has been four months since the beginning of our class? We have enjoyed learning with your children. It has been neat watching them grow. We have especially enjoyed watching them learn how to do new things.

Ms. Courtney had a beautiful baby girl, Adyson Nicole, and we hope to see her return to us soon but hope she enjoys the time with her baby!

This month we will be doing a lot of fun things. We would like to go outside to experience snow this year. Please provide appropriate attire on snow days. Have a great month and don't forget to take time to read with your children!

Ms. Iliana

Ms. Hayden

Upcoming Dates
