

Hello Katydids and Cicadas families,

We hope everyone is enjoying the warmer weather. May is one of my favorite months because the weather is getting warmer out and the flowers are starting to bloom out. The Katydids and Cicadas class will be outside every day in morning weather permitted. We will also be outside after the children get off the bus in the afternoon so please make sure to send appropriate clothing for children to play outside. Make sure you also bring sunscreen for your children and, if you didn't sign a permission paper for sunscreen, ask the staff in the lobby either in the morning or in afternoon. Here are some important reminders of upcoming dates in the month of May.

#### Parent Reminders:

- ✿ Continue to send masks for school so that your child can change into it before getting on the bus. Make sure they're being washed every day.
- ✿ Spring has arrived so make sure children has appropriate clothing to play outside.
- ✿ Make sure their laptops are charged every day.
- ✿ We are asking that your child leave all electronics, toys, Pokémon and other items at home.

Thanks, Ms Alisa, Ms Maddie, Mr. Brandon
